Agreement: In support of Northfield Little League, I desire to place an advertising banner upon their web site for the stated donation. I understand that I must supply the NLL web master with a suitable banner, measuring approximately 728(w) x 160(h) pixels. I understand that this banner will remain upon the NLL web site for the duration of the noted calendar year, and will be removed on or about January 1st of the following year. I understand that all such banners upon the NLL site rotate, with equal frequency, upon each page click. Though I am required to supply the banner, I understand that technical assistance will be provided by the NLL web with configuring the banner to display as desired upon the site. I understand that a link to the represented business web site may be incorporated into the banner if so supplied. I understand that I may revise my banner once during the agreement period, and that additional revisions may be made for a nominal fee. It is understood that NLL has final say regarding the content of any web banners and associated web links.
