

Learn the game from a staff of college coaches

Coach Jenkins Baseball Camp boasts a staff with years of coaching baseball at the college level. Enrollment in camp is capped to ensure a 5-to-1 camper to coach ratio, so campers are guaranteed personal attention.

Lew Jenkins, Camp Director – Coach Jenkins has coached baseball in the state of Maryland for over forty years. His career includes almost 600

career wins between the high school and college, four years coaching the United States Junior National Team and twenty-five years of scouting experience for professional baseball. He was inducted into the Maryland Baseball Hall of Fame in 1993. The 2008 season will be his fifteenth as the Head Coach at St. Mary's.

Other coaches will include:

Liam Bowen, Pitching Coach and Recruiting Coordinator at St. Mary's College.

Kenny Bean, Hitting Coach at St. Mary's College

... and other coaches and guest speakers with years of baseball experience.

Campers at Coach Jenkins Baseball Camp receive:

- *A chance to play at The Hawk's Nest, one of the finest college baseball fields on the East Coast.
 - *Fundamental instruction from a staff of college coaches at a 5-to-1 camper to coach ratio. From turning the double play to
 - *A free Coach Jenkins Baseball Camp t-shirt.
 - *A chance to win cool prizes in daily contests.
 - *Free lunch daily in the St. Mary's College cafeteria.
- and most importantly . . .
- *A week playing the baseball in a beautiful setting, making friends and having fun.

I had the pleasure of playing for Coach Jenkins when I was selected to the U.S. Junior National Team in 1992. I was excited to play in an international tournament at such a young age, having only completed my junior year of high school. The coaching staff, including Coach Jenkins, encouraged me not to be intimidated by the older, more experienced players we were facing and instilled in me the confidence I needed to play and succeed at that level.

Though we came home from Mexico with the silver medal, I'll always look back on that experience with Coach Jenkins fondly. I am grateful for the time we had together and it's also very easy to see why he has turned the St. Mary's program into a winning one.

Fittingly, the Hawk's Nest features the same hybrid bluegrass and same clay infield and mound mix as Camden Yards.
