

CGFS 2007 Season:

Thank you for considering sponsorship opportunities for Campbell Girls Fastpitch Softball (CGFS). CGFS very much appreciates your participation toward the success of this very important community program.

While our name changed recently, our league has served the children and families of the West Valley area for many years. We do not receive any city funding, as much of our funding comes directly from the parents and businesses in our local area. Our community is hoping to build new bathrooms, sheds, and snack shack this year. We are asking for your help by supporting our quest. As a thank you for anyone donating \$250 or more (cash, material, or time), the league will provide:

- A team plaque recognizing your support
- A banner ad of your company on our web site (linked to your company)
- And your company name on our "sponsor appreciation banner" which will be displayed at the fields throughout the year.

Of course, we very much appreciate donations of any amount.

From the CGFS board and its family of members, we thank you in advance for your participation. Our tax ID # is 26-0078804. Feel free to contact Paul Morris at (408) 374-2546, or email [paul\\_morris83@yahoo.com](mailto:paul_morris83@yahoo.com) if you have any questions.

Sincerely,  
The CGFS Board and Trustees
