

## Pro Ambitions Hockey, Inc

We are very excited to bring our cutting edge battle camps and goalie camps to Clifton Park for our 5th summer. Learn how to battle, compete for loose pucks, how to score goals in tight areas, how to come out of the corner with the puck as well as get a great all around skill session by our profession staff with 5:1 ratio of players to qualified Boston area coaches.

We are very proud to have the largest most successful hockey camp in North America with over 3000 kids attending our day/boarding battle camps in 2007.

Our Battle Curriculum is essential for all hockey players development from Mite-Midgets. It's a terrific skill session with all game situational drills, teaching the kids how to compete for pucks and how to be more confident with the physical aspects of the game like 1 on 1 battles. Coming to Clifton Park Arena July 21-25 from 8:30-4pm

**If you sign up before April 20, 2008 you will receive a 20% early bird discount. That is \$102 in savings.**
