The beginning of another Dale City Little League (DCLL) baseball season is just around the corner. We anticipate that over four hundred local boys and girls will have another successful season. It's wonderful to see so many kids enjoying themselves as they work hard to improve their skills as they progress from year to year.

I would like to ask for your continued / new support for our 2009 Little League program. The DCLL is a non-profit organization comprised entirely of volunteers. It takes local businesses like yours that are willing to participate, to help our program run successfully. Registration fees, fundraisers and most importantly, sponsorship from generous supporters like you, fund our budget. With your help, DCLL can continue a positive environment for our youths. This year, we are now accepting on-line donations. If you are interested in this option, please visit our website, [www.eteamz.com/DCLL](http://www.eteamz.com/DCLL), and pay with your credit card.

Below are sponsorship levels for the 2009 season. Along with the recognition you will receive below that shows your support to the community, your sponsorship is also *tax deductible*.
