### **RE: Request for Donation to the Lake Zurich Lacrosse Club**

---

Dear Local Business Owner or Corporate Sponsor:

The Lake Zurich Lacrosse Club is a non-profit organization dedicated to the promotion of Lacrosse at Lake Zurich High School supporting Varsity, Junior Varsity and Frosh/Soph Boys' and Girls' teams. The program has grown from 28 players in 2003 to a projected 160 players for the Spring 2009 season. We receive no financial funding from the high school. Players and parents bear the burden of the entire operating budget. In addition to the club fees of \$400, each player is required to raise additional fundraising monies. Sponsorship is our key fundraising vehicle.

We ask for your generous support. In reciprocation of a donation, we will post your business logo, name, address, phone number, and website link on the sponsor's page of our club website for the next 12 months ([www.LZLacrosseclub.com](http://www.LZLacrosseclub.com)). Note: we have had over 85,000 hits on our website in the last 5 years. You will also receive recognition at our "Pack the House" night and year end banquet. There are 4 levels of sponsorship:

- Bronze . . . . . up to \$100
- Silver . . . . . \$101 to \$500
- Gold . . . . . \$501 to \$1,000
- Platinum . . . . . over \$1,000

Thank you for considering a donation to the Lake Zurich Lacrosse Club. It is a great opportunity for your business to give back to the community while supporting these high school athletes. Make your check payable to the *Lake Zurich Lacrosse Club* and return to the player asking for your donation or the address on the letterhead above. Please remember to note the player's name who requested your donation.

Lacrosse is the fastest growing sport in the nation. We hope you have the opportunity to attend our games and catch the *Lacrosse fever* that is spreading across the Chicagoland area!

Sincerely,

David Kintzer  
President  
Lake Zurich Lacrosse Club
