

MYHL minutes for March 6th board meeting held @ the Desoto Civic Center

Attendees: Darrell Wodowski, Susan Szarolletta, Tom Rose, Andy Fowler, Christine Fowler, Jerry Moran Russ Beatse, Jack Rogers

Discussed Players balances as 3/6/06

Elections closed as of tonight, we will have new board members for secretary, travel director, high school director and treasure.

Amendment to By-Laws were voted on electronically and will now make the election process in accordance with our by- laws.

The incident with the high school game regarding the coach and the referee has been dealt with and ruled by the DCC that the coach cannot return to the DCC building for MYHL events. No action by MYHL until DCC removes restriction.

The complaint with the player's confrontation in the game with Collierville and Houston has also been looked into. The language used by the Collierville coach toward the player was inappropriate and ruled that the next time this happens there will be a suspension for the year.

Jack Rogers motioned to allow no refund and Andy Fowler 2nd the motion regarding the 1 power skating class that was cancelled. Those that participated paid for 10 and were supposed to get 3 free instead of the 2 they got.

There was a discussion about requirements for a child to play in playoffs. The rule states that a child must be rostered by January 15th. Eligibility has to be 50% of regular seasoned games. It will be reviewed on a single issue basis and whether or not it is a hardship issue.

We have about 5 players that joined the high school league after the January 15th date. Can they play in the playoff games? The coach of Shelby came to voice his concern of having Andrew Riley and the other 5 players have the right to play in the playoff games. After much discussion Darrell motioned to have the North Mississippi players play in the playoff game only if the team ends up with less than 10 players. They would be able to use 1 or both of the kids rostered after January 15th to complete their roster if needed, Andy Fowler seconded the motion. Darrell motioned that Andrew Riley be allowed to play in the playoff game but there was no second to close the vote. Jerry Moran motioned that the red shirted players be allowed to play for Houston in the playoff game, there was no second to close the vote.

Jerry Moran presented a new registration online through active network. He will be looking into it further and a decision will be made after all the information and questions have been answered.

Desoto Civic Center (DCC) has negotiated with Russ, to get ice time for the high school skills competition and All-Star game. We will be having that on March 21st, March 24th, 25th, and 26th in Huntsville the HS SAHA tournament will be held. State championship will be April 1st and 2nd.

There was a motion to keep Rob Nelson on the board by Jerry Moran and seconded by Andy Fowler because of his 3 missed board meetings, everyone voted to keep him.
