

MSLL Comes SO Close To Williamsport

After a slow start at the Little League Canadian Championships, MSLL came on strong.

In the semi-final game against Langley, we saw two of our players cross the plate in the bottom of the 6th inning. Unfortunately, the second runner was called out or we would have tied the game and possibly gone on to win. That would have sent us to the Final against Quebec.

Congratulations to our players and coaches for all their efforts and a spirited performance. And congratulations and best wishes to Langley, the 2011 Canadian representative at the Little League World Series in Williamsport, PA.
