

May 17, 2011

North Royalton Baseball is pleased to announce a partnership with RainedOut.com. Getting information in a quick fashion to our members has always been a difficult task, after a few weeks of testing we are ready to offer this service. This service will begin announcements on May 18<sup>th</sup>.

We ask everyone involved in NRBB to sign up with the program, managers, coaches, players, umpires and any family members. Once NRBB announces a field update or condition, a text message and/or e-mail will be broadcast in seconds to all subscribers. There is no cost to join this program.

Listed below are the directions to log into the system, visit [www.rainedout.com](http://www.rainedout.com)

On the homepage is a white shaded area, type in "North Royalton Baseball" then click search.

A preferred results page will appear that says North Royalton Baseball Boosters in blue, click on the blue lettering. A sign up page will appear.

Enter your area code and number, click on agree to terms of service and click "Start Signup".

The next page will appear asking for a validation code, you will automatically receive a text with a 4 digit code, enter the 4 digit code and click "Validate Code" (If you close this page during the process you need to begin the start signup process again)

The final page will appear that says "Welcome to RainedOut" you are now entered into the NRBB notification system, there is nothing else you need to do.

If you want to add e-mail notification make sure you log out of the system, then repeat the above process, enter your e-mail address and follow the same directions. Some e-mail systems will receive the validation code in the spam folder.

We want to thank you for your patience with us this spring, it has been a very trying few weeks and look forward to "DRY" baseball season.

North Royalton Baseball Boosters
