Dear Ocean View Little League Supporter,

The time is near for another successful season of OVLL baseball. Our 100% volunteer staff is working hard to enhance the experience of the almost 700 players, and their families, who will frequent our fields this year.

Along with the time and effort of our volunteers, OVLL relies heavily upon the generosity of our sponsors. The costs of field maintenance, facility and equipment safety upgrades, insurance, etc. routinely outpace the fees we can reasonably charge.

You can directly and positively impact the OVLL experience by becoming a sponsor. Not only will you feel the pride of supporting your community and the time honored tradition of Little League Baseball, but you will also be reaching active families with real purchasing power. Our families are loyal to our sponsors, and you'll be connecting with them for less than many other forms of advertising.

Please take a look at the OVLL 2009 Sponsorship Program information sheet and consider becoming a member of the fantastic OVLL team of sponsors. OVLL is a non-profit organization so your contribution is of course, tax deductible. EIN # 51-0256165. Fed. Group Tax Exempt # 3158.

Please contact me for additional information or to discuss any sponsorship or fundraising issues. Take some time to visit our web site listed above to learn more about OVLL.

Thank you kindly for your support,
