2008
"TRIFECTA" All-Star Champions
District 62

October 1, 2008

Dear Ocean View Little League Family,

It's time for another fantastic season of OVLL baseball. You may have noticed how much nicer the fields look this year. Your Board is committed to having the nicest fields in the area. This of course, comes with a price tag. During the off season, tens of thousands of dollars were spent on our fields. Our fields are not the only changes that you're sure to see in the near future. Your Board is committed to further improvements such as batting cages and a new and improved snack shack. As you can imagine, this ambitious agenda also requires substantial additional funds.

While we are holding the line on registration fees, we are also reaching out to you to do what you can to enhance your player's Little League experience and keep OVLL the gold standard of District 62. Please review the OVLL 2009 Sponsorship Program info sheet and generously consider supporting us with a personal, corporate, or **team sponsorship**.

This season, I am challenging each team to pitch in with a \$250.00 sponsorship. Just think, as a total team effort, that's just a little over \$20.00 per family!! With each \$250.00 **team sponsorship**, not only will your team be recognized at the \$250.00 Cy Young level, but the league will reward the team with \$25.00 toward a team party. The team with the largest **team sponsorship** over \$250.00 will also be rewarded with special OVLL warm up jackets for each player at the end of the regular season.

Perhaps you prefer to participate individually. The local businesses that you frequent are great sources for support. Just ask them!! Many businesses are delighted to support Little League and the nation's pastime. Who knows, maybe your employer is one of them. And of course, all donations are tax deductible. EIN # 51-0256165. Fed. Group Tax Exempt # 3158.

Please feel free to contact me regarding sponsorship and fundraising issues. Please take time to regularly visit the OVLL website (listed above) to keep up on all the league news and fundraising activity.

Many thanks for your support,

Jeff Pratto
