

Dear Robbinsville Resident,

We are all fortunate to live in such a wonderful location. In recent years, we have witnessed the great strides that our small community has made, with the opening of Robbinsville High School and the myriad of programs and opportunities that have presented to our students. With all new endeavors comes the need for continued growth and expansion. The Robbinsville High School Baseball team is no exception.

As you may know, Robbinsville High School's baseball fields are in need of significant improvements. Re-grading efforts are already underway, thanks to the support of the school administration. Other improvements are needed, such as fencing around the outfield, construction of dugouts and placement of a scoreboard, to name a few. RHS Baseball is one of the only programs in the area that lacks these structures. Improvements such as these take time to acquire due to their attendant costs, especially when dealing with a new school facility that has many needs. Accordingly, it is the goal of volunteer fundraisers to provide an opportunity for our athletes to play on a field that has these structures in place. These improvements will not only benefit the athletes currently playing baseball, but will benefit future student athletes coming up through the baseball program. In addition, all improvements to the high school facility that enhance the quality of play and success of the program will certainly benefit the high school community as a whole.

RHS Baseball, in partnership with its athletes, families and friends, is making a concerted effort to improve the playing conditions for the baseball program. To do this, RHS Baseball will be undertaking a number of activities to raise funds specifically targeted for field improvements and program expansion. The first fundraising effort is the RHS Spirit Apparel Sale. The items for sale are not limited to baseball; rather, they can be proudly used by all members of the Robbinsville community.

We ask that you show your school and community spirit and buy an item or two. That way, you can be a part of the effort to make a lasting change at RHS by creating a field that the players can proudly call their own and where they can play their very best!

Thanks for your support. Go Ravens!

RHS Baseball
