

Here Is What Participants Say About Our Events...

Paper Discovery Duathlon:

Great day today!!!! Thanks for putting on such a wonderful event. I know how hard you work and I know how much of your heart and soul you put into everything you do!!! I saw a lot of satisfied people out there...I think the run course was really neat.

Thanks for everything you do!!!!!!!

Alan

Thank you so much for another enjoyable, well-organized event. The planning and coordination of these events have been phenomenal.

We really appreciate all your hard work in making these events happen.

THANKS AGAIN!! :)

Gloria: Thank you ever so much for all of your efforts. The duathlon was a huge success, I've heard nothing but really good things!

High Cliff Triathlon:

Overall, I thought the race went very well. The bike course was very good, well marked, well patrolled, beautiful road surfaces for the most part. Having the run course largely shaded was a life-saver!

I'm sure you receive a lot of these accolades, but thanks so much for a great race on Sunday at the High Cliff Triathlon. Thanks for all of the organizing that you do. Your triathlons are always amongst the best!-Julie

Thanks for putting on a quality event. Please thank the army of volunteers for their hard work on a long hot day. I know (and I hope my fellow competitors know) that without the dedicated volunteers, we could not afford to test ourselves in an event like this.

Pewaukee Triathlon:

Thank you so much for a successful event yesterday. What an amazing job you and your team did. I was very impressed. Yesterday was my first tri-athlon and I'm glad I accomplished my goal of finishing. :) You and your team made that possible.

You guys did a great job! Very very well organized I thought, the routes we're extremely well marked, everyone was helpful, lots of water on the run!!!!

Wonderful!!

Thank you

Excellent race in Pewaukee!!! I had a blast. THANK YOU!!! Again, another very well organized event! Thanks for your time and efforts in making these races possible!! Have a great day! Sandy :)

Oshkosh Triathlon:

As a followup to last Sunday's race in Winneconne, Great Job! For the first year of this event everything went very well. Great job and thank you for putting on this event. Steven Lewis

We had such a great time and we think both tri's were a smash hit! I bet next year will be twice as big! Great job you guys! We really loved it and can't wait for next year.

Mary Love

Hi Gloria and Dawn, Nice job with the race yesterday. It was a gorgeous day and beautiful venue. I can only see this race growing!

Green Bay Duathlon:

Hello. Great race this Sunday in Green Bay, WI. Your company does a good job with the races. Justin in Marquette, MI.

It was a great day and a great event - I came up from a suburb of Chicago and will do it again next year - maybe even some other Midwest sports events too. Thanks again. Paul Lipka

Just wanted to tell you that the race was great. It was so well organized and there were volunteers and police everywhere to help with traffic flow. Great race - thanks to all the folks who organized it and volunteered! Great weather too! Deb Marabotti
