Age Determination: A players 2010 softball age is determined by their age as of Dec 31, 2009.

After the tryout, the SPLL & RHLL coaches, LHS coach(es), and other unbiased evaluators will review the tryout results. Players will then be placed onto an appropriate level team.

Softball: If a player has been placed onto a AAA or Majors level team, their team manager will notify them by February 26, 2010. Those players not placed on AAA or Majors teams will be placed on a AA team with a buddy choice, to the best of our ability. AA teams may be announced a little later, after all SPLL/RHLL registrations are concluded. All players will make a softball team. Once again, RHLL and SPLL will 'blend' at the Majors level.

"Spring Training" for softball (AA, AAA, Majors and Juniors combined; both RHLL and SPLL jointly combined) begins Monday March 1, 2010 (Mon - Wed - Fri) for those who want to get on the field, and goes (9) M-W-F sessions through Friday March 19, from 5:30 pm - 7:30 pm at Hamilton Park Field (rain or shine).

Please let us know if you have not received a phone call about team placement by February 27, 2010. Softball team practices will begin after Spring Break for all levels of play. League games will tentatively start April 2nd and continue until mid June.
