

If your child has a food allergy, you must provide the school food service personnel with a physician's signed Statement that must include:

- An identification of the medical or other special dietary condition which Restricts the child's diet;
- The food or foods to be omitted from the child's diet; and
- The food or choice of foods to be substituted.

If you have further questions, please contact the food service department at 301-644-5061
