Dear Local Business Owner,

For more than 50 years, hundreds of pint-sized athletes have enjoyed the benefits of the Wyoming/West Wyoming Little League. Nearly everyone in the community has either played there, themselves, or has a friend or loved one who has learned life's lessons under the mantra 'Play Ball.'

The Wyoming/West Wyoming Little League has been lucky enough to receive a challenge grant to make sure that the Flack Fields in Wyoming and the 6<sup>th</sup> Ave. fields in West Wyoming continue to be a part of the area's social landscape. For every \$5,000 raised, a \$5,000 matching gift will be donated. This money will be administered by The Luzerne Foundation and added to the Little League's Endowment Fund.

What a great business plan - we have the opportunity to double our fund raising efforts! This is a generous offer we simply can't afford to ignore.

We are calling on local businesses to insure the future stability of these cornerstones of our community. Working together, we can raise the money needed to upgrade conditions at the fields and increase the endowment for future generations.

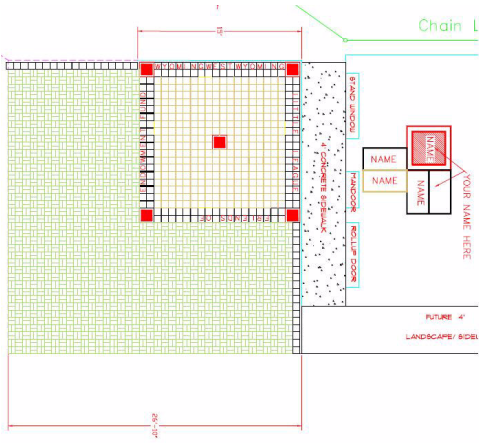

Little League, as we know it in the area, is in your hands. Donations will be recognized with engraved pavers. These pavers can bear your name or the name of a loved one. The pavers will be laid out in the form of a baseball diamond at the Flack Little League Complex. Donors will also receive a letter of acknowledgement from the league. Multi-year pledges are welcome. **Please be generous.**

We thank you in advance for your continued support.
