

Wyoming/West Wyoming Little League

To: All players, coaches, and Parents/Guardians:

Thank you for your participation in the upcoming 2011 baseball/softball season in the Wyoming/West Wyoming Little League. We are looking forward to a fun and safe season this year. The safety and health of all children is very important. With that in mind, WWW Little League board is asking that every player has his/her own personal batting helmet. This is neither a requirement nor mandatory. This is optional. Helmets will be available to all players/teams in the league, just like in the past years. We are asking for this in the best interest for the safety and health of each player.

You can purchase a helmet at any sporting goods or department store retailer.

However somewhere on the helmet it must read:

“Approved for use in Little League Baseball”

“Meets NOCSAE standards (National Operating Committee on Standards for Athletic Equipment) ”

All helmets must have ear guards.

Chin straps are recommended.

Face guards are recommended.

Be sure that the helmet fits properly.

Thank you for your support and understanding in this matter.
